

Matteo Bandi ⁺

My name is Matteo Bandi. I have graduated from the MA Design Products at the Royal College of Art, London. There, I developed my skills with all the passion I have for product design and interaction design. I am looking forward to strengthen my knowledge and learn new skills with challenging work experiences.

Skills

I am really keen to learn new skills and get inspiring insights by working with other people both in team or individually.

I work hard, trying not to give up as long as I am not fully satisfied with my work.
